JENNY LIND HOSPITAL

The Norwich Hospitals and Medical Institutions Sunday and Saturday Fund, by their excellent Contributory Scheme, has again exceeded all records in providing £3,480 or £84 more than last year.

A Legacy was received during the year under the Will of the late Mr. J. B. Forrester, amounting to £100.

A list of friends who have remembered the Hospital in their distribution of Clothing, Linen, Toys, Fruit, etc., is given on page 53. Gifts of this kind are welcomed by the Matron, who can always find use for the smallest contribution.

A list of special donations received during the year in connection with the Building Fund appears on page 33.

The Committee of Management is very grateful for the interest and financial support received. Special efforts to help the Hospital Funds have again been numerous and are specifically mentioned on page 34.

THE LATE MR. J. B. FORRESTER.

Your Committee have been unfortunate in losing one of its oldest members, Mr. J. B. Forrester, who died on 7th July.

Mr. Forrester had been connected with the Committee of Management for a long period of years, lately as Trustee, and was Chairman from 1909 to 1911. He had recently subscribed £500 for a Cot in his Sister's name—"The Ann Forrester" Cot.

DEATH OF OLD FRIENDS AND SUBSCRIBERS.

Your Committee very much regrets to record the death of the following friends and subscribers :—

Mrs. C. R. Ayton, Sir George Chamberlin, Mr. W. Warner Cook, Mrs. Cracknell, Miss Dowson, Mr. J. B. Forrester, Miss E. R. Gray, Mr. George Green, Miss R. Gurney, Miss Lucy Hansell, Miss M. A. Martin, Mrs. C. E. Noverre, Mrs. C. H. Pitt, Miss M. F. Patteson, Mr. E. P. Simpson, Mr. Charles Thurston.

HONORARY LIFE GOVERNORSHIPS.

In consideration of the special services rendered to the Hospital during their year of office, the Lord Mayor and Lady Mayoress (Mr. and Mrs. H. E. Witard) were appointed Honorary Life Governors under Law 7.

Mrs. Calver and Mrs. Hennessey were elected Honorary Life Governors on the nomination of the L. & N.E.R. (Norwich District) Hospital Fund.

Mrs. F. G. L. Moore, Miss Southall, and Mrs. White were also elected Honorary Life Governors on the nomination of the Alexandra Rose Day Committee.

Mr. Arthur Blanden was appointed as Honorary Life Governor in recognition of his services as Honorary Secretary of the Alexandra Rose Day Committee for the past six years.

RESIGNATION OF DR. BURTON MARSHALL.

The resignation of Dr. Burton Marshall, Honorary Physician was accepted with great regret and Dr. B. K. Nutman, the Senior Assistant Physician, was appointed to take his place.

NORWICH EGG WEEK.

Norwich Egg Week, organised by Mr. F. B. Seago, has again resulted in this Hospital receiving 20,000 eggs. Your Committee desire to express their great appreciation to Mr. Seago for his untiring efforts in this connection.

COTS.

No new Cots have been founded this year, but Cots still provided for are enumerated in the Income Account on page 20.

VISIT OF H.R.H. THE PRINCE OF WALES.

The Hospital was honoured by a visit of His Royal Highness The Prince of Wales on May 30th, who made a tour of inspection of all Wards, expressed his appreciation and signed the Visitors' Book.

STONE-LAYING CEREMONY, NEW OUT-PATIENT AND SPECIAL DEPARTMENTS BLOCK.

On July 2nd, the Foundation Stone of the new Out-Patient Department was laid by Mrs. Raymond Maude, O.B.E., daughter of "Jenny Lind," who was accompanied by her son, Mr. Charles R. Maude. The ceremony of dedication was performed by the Lord Bishop of Norwich.

PYM HOUSE (NURSES' HOSTEL).

This Hostel was declared open by Mrs. Raymond Maude on July 2nd. The comfort and quiet is much appreciated by the Nurses.

GIFTS.

Two dining room chairs, forming formerly part of a suite belonging to Jenny Lind, have been presented to the Hospital by Mr. H. E. Stringer, of Sheringham.

A letter, a very interesting Memento of Jenny Lind, was received from Mrs. Raymond Maude, as a gift to the Jenny Lind Hospital. The letter is from Bishop Stanley, of Norwich, to Jenny Lind, and is dated 10th July, 1847, and it was asking her to stay at the Palace when she came to sing at Norwich that year.

LADIES' WORK ASSOCIATION.

The Annual Presentation of Linen was made on October 10th by Miss Southall, sister of the Sheriff, in the Eaton Parish Hall. This Association has again made a splendid contribution of linen and garments and very grateful thanks are due to Mrs. Harker (President), Miss Muriel (Treasurer), Mrs. R. W. Collinson (Honorary Secretary) and the Vice-Presidents and Members who devote so much time and thought all the year to provide the work.

The total number of garments presented was 1274, made up as follows :—Ladies' Work Association, 897 ; Norfolk and South Walsham District Division of Red Cross, 236 ; Red Cross (County), 40 ; Drayton Working Party, 101.

In addition to this, Mrs. Bullard's Working Party at Wroxham presented 706 articles of clothing. Materials have

been made up by Working Parties at Cley, Aldborough, Kirby Bedon and the Reepham Red Cross Society, the Whissonsett Mothers' Union and the Women's Institutes at Brundall, Barningham, Holkham, and Krapton.

TINFOIL.

This Hospital is now in a position to appeal for Tinfoil and it is hoped that in due time sufficient money will be obtained from this source to endow a Cot. By this means a very great deal of money has been received by various Hospitals and it is hoped that all friends will encourage children to save and collect so that the proceeds of the sale may be put towards the endowment of a Cot. The class of material which is suitable is :—Tobacco wrappings (free from paper), Foil from cigarettes and chocolates, metal capsules, lead soldiers, or any piece of broken lead.

This should be sent to the Almoning Office at the Hospital, or, on receipt of a post card, arrangements will be made for collection.

SUBSCRIPTIONS.

The Honorary Secretary has this year made a personal appeal for new Subscribers, which has resulted in obtaining 52 new Subscribers and a total additional income of £87 15s. 0d. In this he was helped by a gentleman in the County offering an annual subscription of Twenty Guineas if twenty new annual subscribers of £1 1s. 0d. each could be obtained before the end of the year.

Your Committee feel that they owe a further debt of gratitude to Mr. Harper Smith for this additional service he has rendered to the Hospital.

ACKNOWLEDGMENT.

Your Committee cannot conclude this report without mention of the services rendered by the Hospital Staff. The Honorary Medical Staff, the Lady Superintendent, the Sisters, Nurses, and Domestic Staff, have all through the year given devoted service and the Committee on behalf of the public generally tenders them grateful thanks for work un-

grudgingly done. The Committee also desires to acknowledge the services rendered by the Honorary Secretary for his devoted work, and to Messrs. Bullimore & Co., the Honorary Auditors.

The Committee of Management desires, in its concluding paragraph, to express its deep and sincere gratitude to all contributors to its funds, for the generous help which it has received in the past year. The support received has been a great encouragement and it is hereby most warmly acknowledged.

Signed on behalf of the Committee of Management,

G. E. W. WOOLSEY,
Chairman.

Medical Officers' Report

In nearly every Department of the Hospital the work done in 1928 shows a considerable increase over that of the previous year, as the figures accompanying this report testify. The total number of beds, including 12 set aside for tonsils and adenoid cases and 6 in the two Observation wards, is 80, and the average daily occupation throughout the year was 60. On several occasions every bed and cot was occupied. It was only possible to maintain this high average by the exclusion of infectious diseases, which are filtered by the Observation Wards, but in spite of these precautions infection will occasionally gain entry into the general wards, each of which had to be closed for one week on this account during last year.

The drop from sixteen-and-a-half days to nine days as the average duration of stay of each In-Patient is explained by the large increase in the number of children admitted for throat operations, an increase of 379 over that of the previous year. These children stay for one or two nights only.

The number of treatments given in the Artificial Sunlight and Massage and Electrical Departments shews an increase of over 4,000, and at the Ear, Nose, and Throat Clinic there was an increase of nearly 300 attendances.

With the increase in the population in the vicinity of the Hospital the number of cases treated in the Casualty Department is increasing yearly, which all points to the need for the increased accommodation which will be provided in the nearly completed new Out-Patient and Special Departments Block. Provision has been made in this Block for these various special departments.
